

## **FISHING – Open**

1. Two (2) people per team.
2. Fishing will only be permitted in the designated area. Competitors will be given a map indicating the designated area. Fishing will only be permitted with hand lines or a rod and reel.
3. Each fisher person can use a maximum of two fishing lines (handline or rod and reel) each, during the competition.
4. The competition will be determined by the weight of the fish. Points will be awarded for the 5 heaviest fish. Fish will be weighed by the Event Coordinator. If the two or more people have caught a fish weighing the same amount the winner will be the one that caught the biggest first.
5. Care must be taken so as not to harm the fish unnecessarily, this is a catch and (kiss) release competition.
6. For the purpose of this competition, a successful catch does not include:
  - Squid
  - Crabs
  - Sea Snake
  - Sting Ray.

### **EQUIPMENT AND SAFETY**
