

SQUASH – Male/Female

1. Scoring will be continuous for the duration of each game.
2. To save time, the team mentioned first in the fixture book will serve first.
3. The server only scores points. For example, if the server commits a fault, service passes to the opponent. If the receiving team commits a fault, the serving team wins the point. (International rules)
4. All other rules for squash apply.

EQUIPMENT AND SAFETY

- Players must supply their own racquet.
