

## **UNO – Open**

1. Each game will involve up to five (5) competitors
2. Competitors play continuous games for 15 minutes, at the end of which, each persons score is given to the event scorer.
3. Incomplete hands count for points at the conclusion of each game. Number cards 0-9 face value. Draw 2, Reverse & skip 20 points. Wild & Wild Draw Four 50 points
4. The only score which is counted is the first completed game. Any subsequent games played in the 15 minutes are not contributed to the overall scores and are played just for fun.
5. During the 15 minutes one game must be completed if not then competitors continue to play until it is concluded. The Event Coordinator is not to commence the next round until all tables have completed one round.
6. Lowest overall score over all rounds wins the competition.
